

AGENT ANNOUNCEMENT

December 12, 2012

Effective immediately, Unistrut Material Sales is proud to announce that Noble Sales Associates will become our Sales Agent for the HVAC / PVF / STAFDA markets in Michigan and Ohio. Noble Sales Associates will replace Christian & Company and John R. McAuliffe Sales in this territory.

Unistrut is the original metal framing system featuring a unique weldless connection. The Unistrut system eliminates welding and drilling, and is easily adjustable and reusable for infinite configurations. Over time, our brand has evolved from a simple connection concept to a comprehensive engineered building and support system featuring a robust line of channels, fittings, fasteners, hangers, pipe clamps, and accessories. Backed by our worldwide network of engineering and distribution centers, we provide customers with total-resource capability, making Unistrut the brand everyone asks for by name. We are very excited to have Glen and his growing organization representing Unistrut products.
