

AGENT ANNOUNCEMENT

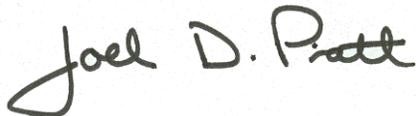

March 17, 2014

Unistrut is pleased to announce that Pro-Staff Sales has been chosen to represent us in the STAFDA market for Alabama, Georgia, Florida, North Carolina, South Carolina, Virginia (except for Loudon, Prince Williams, Fairfax and Arlington Counties), Tennessee and Kentucky (western half of the state). Both Paul Hughes and Keith Murray will be working with Pro-Staff to get them trained and up to speed on the Unistrut product line.

As part of this change, Fox-Rowden and KMS will continue to focus on Electrical Sales efforts in their states and UCARCED will no longer represent Unistrut. We want to thank these agencies for covering the STAFDA market for as long as they have in their areas.

Unistrut is the original metal framing system featuring a unique weldless connection. The Unistrut system eliminates welding and drilling, and is easily adjustable and reusable for infinite configurations. Over time, our brand has evolved from a simple connection concept to a comprehensive engineered building and support system featuring a robust line of channels, fittings, fasteners, hangers, pipe clamps, and accessories. Backed by our worldwide network of engineering and distribution centers, we provide customers with total-resource capability, making Unistrut the brand everyone asks for by name. To learn more about Unistrut products, please visit www.unistrut.us.

We are very excited to have the Pro-Staff representing Unistrut products.
