

AGENT ANNOUNCEMENT

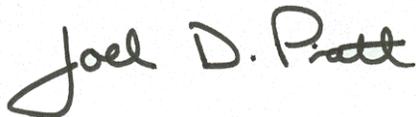

January 27, 2014

Unistrut is pleased to announce that Rouzer Sales has been chosen to represent us at in the STAFDA market in the North Dakota, South Dakota, Minnesota and Northwest Wisconsin. I will be working with Rouzer directly as the acting Midwest Regional to get them trained and up to speed on the Unistrut product line.

Unistrut would like to thank Kartheiser & Co. for their years of service representing our product and wish them the best moving forward.

Unistrut is the original metal framing system featuring a unique weldless connection. The Unistrut system eliminates welding and drilling, and is easily adjustable and reusable for infinite configurations. Over time, our brand has evolved from a simple connection concept to a comprehensive engineered building and support system featuring a robust line of channels, fittings, fasteners, hangers, pipe clamps, and accessories. Backed by our worldwide network of engineering and distribution centers, we provide customers with total-resource capability, making Unistrut the brand everyone asks for by name.
